PROSPECTUS
2023-24

MET'S group of educational institutions is administered by the Mala Educational Trust, which was established in 2001 by a group of visionaries to impart world class quality education to the youth, by creating a dynamic and conducive ambience for realizing such a lofty ideal. The Trust started MET'S COLLEGE OF ADVANCED STUDIES in 2015, with the experiential knowledge of running the MET'S School of Engineering for 13 years. MET'S COLLEGE OF ADVANCED STUDIES is another jewel in the crown of the MET'S Enterprising Team. In starting this ADVANCED STUDIES, our aim is to create well educated and well employed men and women with global outlook, acumen and entrepreneurship.

VISION

To be magnificent in the field of education by imparting value based career oriented education and to devise self-reliant persons with moral values and responsibility towards the society.

MISSION

- To provide a distinct and competitive infrastructure
- To hone students focus and help them gain depth in their chosen area of study
- To encourage students to involve themselves in challenging, technological and environmental problems through value-based education.
- To inculcate values of empathy, humaneness, discipline, hard-work and team-spirit and to develop critical thinking along with the leadership qualities of students
- To motivate students to unleash their potential to augment their professional standards through academics and ethics thereby elevating their competence to be the change.
